Model	Product description
	Made of full matrix display with very rich presentation of animations, shows temperature, daytime and text. There are 2 versions:
PHC60-MATV3	LED matrix with pixel pitch 15x15 mm, 5 fields 16x16 pixels Dimensions: 62x62 cm
PHC40-(1/2/3)L	Pharmacy crosses with 1, 2 or 3 LED rows on the edges. Various effects with synchronous/asynchronous blinking and fades in desired speed. LEDs can be green (default), red or white. Dimensions: 44x44 cm
PHC40-1L+SAT	Pharmacy crosses with 1 LED row on the edges and clock in the middle with 70 mm digits height. Green (default), red or white LEDs. Readability 35 m. Dimensions: 44x44 cm
PHC40-MATV3	Made of full matrix display with presentation of animations, shows temperature, day, time and text. LED matrix with pixel pitch 15x15 mm, 5 fields 8x8 pixels. Dimensions: 44x44 cm
PHC30-MATV3	Made of full matrix display with presentation of animations, shows temperature, day, time and text. LED matrix with pixel pitch 15x15 mm, 1 field 16x16 pixels Dimensions: 30x30 cm

PHCC-M-d Console carriers - used for fixing the cross

M - 3 mounting types:
L - console montage, lateral
Vd/Va - vertical, carrier down or carrier above
R - rear side
d - carrier length
